

Sample of abstract ISAT-4
(Title: Times or equivalent 14 point bold, Centered)

Shigefumi Okada¹, Yukio Nagasaki²
(Authors: Times or equivalent 12 point normal, Centered)

¹*Center for Atomic and Molecular Technologies, Osaka University*
okada@ppl.eng.osaka-u.ac.jp

²*Tsukuba Research Center for Interdisciplinary Materials Science, University of Tsukuba*
(Affiliations and an e-mail address of the "main author": Times or equivalent 10 point normal, Italic, Centered)

Those who intend to make a presentation/presentations at ISAT-4 are invited to submit a contributed paper/papers to the conference (PDF file of **one page abstract** should be submitted through <http://www.camt.eng.osaka-u.ac.jp/ISAT-4/> before **September 1st, 2009**. The abstracts will be bound as a booklet and delivered to participants at the conference.

The one page abstract should be written in English on an **A-4 size (21 cm x 29.7 cm)** white paper. Make **2.5-cm space** on the top, the bottom and the both sides, respectively. **Times font or equivalent with 12 points** for a word and **single space** between lines are recommended.

The abstract will be reviewed by the program committee. The notification of acceptance will be informed by an e-mail to the "main author" before **September 18, 2009**.

It is planned to publish contributed papers if 3-6 pages papers are submitted by **November 4, 2009** and if the paper passed appropriate review procedure. Details will be available in the next announcement on the web site.
